

“What’s that?” asked Emily “It sounds like footsteps”

“But I can’t see anyone around” said Zack.

But the sound got closer and closer and it didn’t go away.

They both wondered what would happen to them, suddenly there was someone wearing a dark top. Emily was shaken up.

The strange figure opened his menacing eyes; dark, yellow eyes appeared from the darkness.

“What should we do?” asked Zack

“I don’t know I’m scared” said Emily.

Zack turned around. He saw a cats shadow looking at him.

“Emily don’t turn around!” screamed Zack

“Why Zack?” asked Emily.

“Zack Zack! There’s someone pointing at me!”

“Now it’s running towards us” shouted Emily

Zack didn’t believe her, suddenly everything turned black. Zack was so heartbroken that he started to cry, because he put his sister in danger and she could die. He might not see his sister again.

And they were never ever seen again!
