Term 5 Issue 5

Friday 13th May

Dear Parents/Carers,

Well what a change in the weather we've had—let's hope that the sunshine returns soon!

This week, we truly saw Craylearning in action. Our Year 6 children took part in the key stage 2 tests. Some were hard; some were better than expected. However, no matter what test, the children did their very best, never gave up and just kept going. The Year 6 staff and I are very proud of each and every one of them. A big well done! I know that they are looking forward to beginning their end of year production rehearsals now.

On a similar note, key stage 1 children take part in their Sats tests over the next couple of weeks. The results from these tests will be combined with teacher assessments to give an overall judgement. The children should remember to do the very best that they can, however they should also remember that these assessments do not tell us about all the wonderful things that they have and will achieve, whether that be in sports, arts, music or just being a happy, cheerful child.

On Tuesday, after school, we were visited by Terry, Kash and Chris from the Kent Community Healthy Schools team. It was great to hear that so many of the children tried something that they had never eaten before; many again showing that they are a Craylearner and taking a risk. Many children enjoyed the smoothies that they made by riding the smoothie bike. I hope that many of you took away recipes from Terry and plan to have a go at making them — happy eating!

Continuing on from this event, the lucky families have now been informed of a place in the 'Don't Sit, Get Fit' sessions each Wednesday until the end of the school year. Please make sure you attend the first session of this club, with your child/children on Wednesday 18th May from 3:20pm until 4:30pm.

Next week, the football team will be playing in their final match of the year. The team has been made up of boys from Years 5 and 6. They have played very well as a team this year and have won, drawn and lost matches, yet they have always shown commitment and dedication in every match. Good luck in your final match!

We are currently collecting Sainsbury's Active Kids vouchers; if you have any at home please place them in the box in the main entrance.

Can I remind parents/carers of the procedures involved if you have a concern about your child's learning. Usually, the best person to deal with any concerns is the teacher themselves; please speak to your child's class teacher to allow them the opportunity to discuss things with you (this includes cover staff). Then, if you are unhappy with how it has been dealt with or still have some concerns, please arrange to speak with a member of the senior leadership team. As always, you can speak to a member of the Parent and Pupil Support Team, at any point.

Enjoy the weekend—especially Year 6!

Mr Hiscock (Acting Headteacher)
