N.B. The figures in brackets are for Pupil Premium children without SEN

Indicates where Pupil Premium children have outperformed Non-Pupil Premium children.

Indicates where Pupil Premium children have performed the same as Non-Pupil Premium children.

In some instances, the impact of interventions cannot be measured purely in terms of points. The support and guidance that has been provided for our pupils has improved their access to learning by increasing their confidence and self-esteem and helping them to grow and develop as individuals.
