

The U.F.O

Swoosshhh! “Oh my! Come here Mr Ramsbottom, I think something has landed in the field!” Tess cried.

When Tess and Mr Ramsbottom finally reached the spacious field, they discovered something “I think it’s a plane” said Tess.

“Maybe it’s a sandwich!” replied Mr Ramsbottom (who gets very hungry!).

“Stand back” yelled Tess. As the mysterious U.F.O landed, the door started to open. Out walked a creature. Yellow and plump. Mr Ramsbottom started backing away; he ran back to the office as the creature strutted towards Tess.

“Hello” mumbled Tess.

“Sorry about Mr Ramsbottom!” she babbled. Eventually, Tess realised that the creature was a minion. The minion giggled. “Bottom!” laughed the minion, falling to the ground. Mr Ramsbottom watched from a window and stormed out to confront the minion. “How dare you laugh at my surname!” He yelled. In so much shock, the minion ran back to his ship crying, and yelling that he will be back for revenge. As the minion left, Mr Ramsbottom asked Tess if she wanted a cuppa. “I’d love one!” replied Tess.
