Dear Parents/Carers,

Where did that term go? It only feels like yesterday that we were opening the gates for the academic year.

I'd like to thank our early years children and parents/carers. The children have settled into the school routine fantastically and it has been lovely to speak to many of the new parents on the school gate; we appreciate the support you have provided the school already and look forward to working with you whilst your child moves through the school.

Some of our new parents attended the Friends of Craylands AGM on Monday and were nominated for a position on the committee—a big thank you. The Friends of Craylands have arranged many fantastic events over the past year and although some events will not be able to be held due to the construction work this year, we look forward to any events that are in the pipeline including the Christmas disco (more details to follow I'm sure).

I hope those of you who attended the STAR assemblies this week enjoyed finding out about what your child has been learning this term. I was disappointed not to be able to attend but I have heard that the children did well. We recognise that we may need to get a microphone set up next time so that some of our quieter children can be heard.

Our football team attended the Dartford District football finals this week—again I couldn't attend (it's been a week of meetings and courses for me!). The team were a little deflated when I saw them upon my arrival back at school as they didn't do as well as they would have liked, however I am proud that they made the finals and that they did their best—it is all we can ask of them.

Lots of work has been carried out this term on the expansion—work continues on the new build as well as the kitchen. Noisy work is due to take place next week so that this does not impact on the children's learning. We are hoping that the fencing will be finished with new double gates installed over the half term break.

This week we have issued our new attendance policy which incorporates the introduction of penalty notices issued to those taking children on holiday during term time. It is regretful that we have had to take this action, however we have been left with very little choice considering the amount of requests we have had and the impact it is having on our attendance figures and ultimately on your children's progress and attainment. Can I explain that the school does not have control over the amount of the fine and the adults it is issued to—we have adopted the local authority's policy on this; the fine comes from them—as a school, we inform them of your child's absence and they take action.

I hope you all have an enjoyable half term break!

Mr Hiscock (Headteacher)
