I would very much like to ensure that those parents/carers who feel that their child has been bullied and who are unsatisfied with the school's response and/or the bullying continues to happen, please do come and speak to me so we can support your child further.

During the anti-bullying workshop, some additions were made to the anti-bullying policy, as follows:

Those who bully:

- Those who have been bullied themselves
- Those who bully through learnt behaviours

Who bullies target:

- People the bully perceives as lower in hierarchy in the class and/or school
- Those who have a lower social status through materialistic ways e.g. trainers, coats, toys etc
- Those who are vulnerable and impressionable; those who are easily intimidated.

These amendments will be made to the policy which will be taken to the governing body in January.

We thank you for your continued support in ensuring Craylands is a place where our children can be happy and safe together.

Yours sincerely

Mr Hiscock
