Term 4 Issue 5

Fri 23rd March

Dear Parents/Carers,

We have one final week of the term left and still lots to fit in! We would like to thank B&Q Dartford for their generous donation of gardening resources for our allotment. The children have enjoyed brightening up the meadow, ready for spring.

Next week, we are holding our ROAR assemblies (Respect Others Act Responsibly) and I hope that many of you have received your invites this week. If your child has not been invited to attend this special assembly, it may be because:

- Your child has received too many consequence cards since Christmas for their behaviour
- Your child has received too many warning cards, showing that they have not learnt from these warnings
- Your child has received too many warning cards for being unkind to others specifically.

It is always hard when a child has not earned a ROAR certificate, however we hope that this allows them to consider their behaviour further and strive to improve it for next term. These assemblies are a way for us to celebrate those who demonstrate good and respectful behaviour.

We do support children who find managing their behaviour in a variety of ways at Craylands; if you feel that we could be doing more or would like us to provide extra support for your child in terms of their behaviour, please do not hesitate to speak to either Miss Blamires or a member of the Parent and Pupil Support Team.

Next week, we will be holding an Easter bonnet parade for KS1 and an egg decorating competition for KS2. These will take place on Wednesday so please do enter into the Easter spirit by either making a bonnet or decorating a hard boiled egg—there are prizes!

Next week also sees Craylands Got Talent returning to the school. The School Council and Mrs Meggs have already held auditions and we look forward to seeing the wide range of talent that I am sure will be displayed this year. This competition allows the children to show how brilliant they are individually, demonstrating talents and skills that may not always be seen through learning at school. Good luck to all entries.

Sadly next week we will be saying goodbye to Mrs Cottis from the School Office. She has worked at Craylands for over 12 years now and has led on both the admin and finance in the school. The staff will really miss her—she has been a great support personally to me in my first couple of years of headship and I wish her all the best in her retirement.

Also next week, we say farewell to Miss Laureys who has been supporting children in Y4. She has secured a position in another school and we wish her the very best of luck and thank her for the support she has provided the children since she has been with us. We will of course still see her as chairperson of the Friends of Craylands and as a parent to her son.

Wishing you all a great weekend—Mr Hiscock.

# Attendance

To be a Craylearner, you need to be in school every day!  
100% is what I really want to see!  
Less than 96% means you will struggle to be a Craylearner!
