Term 6 Issue 3

Fri 22nd June

Dear Parents/Carers,

I hope that you have been enjoying the recent sunny weather....let's hope not too many of you got burnt in the sun at sports day today.

Whilst writing this, I have no idea who has won today's sports day. I just hope that the day has gone smoothly (there's bound to be some confusion along the way with a whole school event such as this), the children have tried their very best and that they have received lots of support from those of you who have managed to come and cheer them on. With hurdles, javelin throw, target throw and plenty of running races, all the children will have had an opportunity to shine. I hope that they have demonstrated Craylearning skills by trying their best, not giving up and taking risks in their sporting skills.

A group of children who have certainly demonstrated such Craylearning skills this week have been Walliams class. Most of the class have been away on their residential at the Kingswood activity centre in Ashford. Throughout their time there, they have been very well looked after by the group leader 'Cale' who took his role of developing the children's resilience, risk taking and ability to work as a team very seriously.

I must say that I have never seen a group of children challenge themselves and push themselves as much as I have seen in the last few days. Each individual challenged themselves to do better in each activity; whether this be climbing 4 rungs on a ladder when only climbing 2 the activity before, or walking backwards off the abseiling wall when they had never reached this height on any of the other activities. Some were so committed that even though the leap of faith may have scared them with its heights, it wouldn't stop them attempting a very similar activity called 'high equilibrium'. Such a brave and resilient group of children.

Not only were they fantastic Craylearners, they also demonstrated excellent R.O.A.R. attributes by respecting others and acting responsibly, something that is so important when dealing with the health and safety rules of many of the activities. The group were impeccably behaved and did the school proud, as they have done in previous years too.

A big thank you to Mrs Bricher, Mrs Wilkinson and Mrs Hoadley for accompanying the children, giving up part of their weekend and supporting me in looking after the children.

Next week, I'm off again (it's a hard life) on the Year 6 residential. Mrs Bishop, Mrs Scarborough, Mrs Chandler and I will be accompanying many of the Year 6 children to the Isle of Wight for the week, where they will be visiting the many different attractions that the island has to offer. If they behaved as well as the Year 4 children have this week, we are sure to have a thoroughly enjoyable week away.

As I said last week, if there are any concerns that you may have, please don't hesitate to speak to Miss Blamires (our Deputy Head) or a member of the Pupil & Parent Support Team, who will do all that they can to help. I would ask that you try to make an appointment to see them, rather than expecting to see them on the spot. Thank you.

Enjoy the weekend—Mr Hiscock
