

Home survival weekly plans - Morpurgo

Hey guys!! 😊

I hope you all had a good week last week and are adjusting to these changes; I certainly miss seeing you all in class but I bet you have all done fantastically with the activities I set last week.

Eashan and Isabelle, I hope you both had a fantastic birthday and managed to celebrate it in a special way.

David and Elena, I hope you both have a great birthday and do something special to celebrate it.

Before I set your work for the next few days, I thought I would share this poem with you, which sums up this difficult time so nicely and shows how we can view it positively.

Boys and girls don't be scared
From the stories you may have heard.
I'm just writing because I want to say,
I'm thinking of you all each day.

I know you're all looked after in your homes,
Just remember you're not alone.
Please use this time carefully,
Have fun and learn creatively.

Don't read now because you'll have a test,
Instead let books take you on a quest.
Use the time for a new skill,
Let learning be a thrill.

Don't idle the hours with wasteful things,
Enjoy the fun new learning brings.
And hopefully it won't be long,
Until we're all back where we belong!

Read these words and take them in, let's make this experience as positive as we can. I hope you all get to enjoy the Easter holidays as much as possible and I look forward to writing to you in the coming weeks.

Take care of yourselves,

Mrs Francis

Ideas for activities at home week commencing 30th March 2020

	Monday	Tuesday	Wednesday	Thursday 16 th April	Friday 17 th April
Handwriting	A line of - accompany Then write a sentence using it	A line of – according Then write a sentence using it	A line of – achieve write a sentence using it	A line of – aggressive write a sentence using it	A line of – amateur write a sentence using it
Reading	Reading for 30 minutes	Reading for 30 minutes	Reading for 30 minutes	Reading for 30 minutes	Reading for 30 minutes
	If you are reading one of my books from Starbooks Café, perhaps, once you have finished it, you could write a review or your opinion of the book and hide it in the book for the next person to find when they pick it up.				
Writing	writing booklet	writing booklet	writing booklet	writing booklet	writing booklet
Spag	Make a way of remembering Where, were and we're Can you draw pictures to remember or make up any sayings (like what we do in class)	Write 9 sentences using where, were and we're	Look at your writing and add a relative clause (who, which, whose, that, where, when) and an expanded noun phrase (determiner, adjective, noun)	How many words can you think of/find that contain the prefix 'sus'	Write 6 sentences using the words you created yesterday – can you include a subordinate clause
Times tables practise	4 x tables	6 x tables	7 x tables	8 x table	9 x table
Don't forget to challenge me on Times Table Rockstars – I will check it every day.					
Maths	2 pages from maths book	2 pages from maths book	2 pages from maths book	2 pages from maths book	2 pages from maths book
Science	Can you try to finish our investigation using what you have available at home, so you may have to adapt it slightly. Our question was – How does the amount of light change how we see an object in the dark? Can you find a way of measuring this and recording your findings? What happens when the light is changed? Does it matter how you shine the light?				
STAR				Choose one STAR activity from writing pack	
RE		Make an Easter card using symbols for Easter. Think about what the symbols represent. E.g. cross, palm leaf, chick			

PE					If you are able to, do Joe Wicks' school PE lesson
Music			Listen to your favourite song, what instruments can you hear?		

Easter symbol ideas – what do they represent?

Card ideas
