

# Home survival weekly plans Y1

Ideas for activities at home week commencing 30<sup>th</sup> March 2020

Hello Funnybones and Elmer children.

It has been a very different week for all of us but I'm sure you are all working hard for your parents, remember if there are any questions for us then feel free to message Mr Hiscock and he will pass any messages on. I have enjoyed seeing all the signs of spring on my daily walk and trying to keep up with Joe Wicks every morning to keep fit!

Spag	Share a story with another person and find all the adjectives (describing words).	Retell the story to another person, adding actions to help you.	Use adjectives to describe your favourite book character.	Write about your favourite book character using adjectives. Remember to use capital letters and full stops.	Look at your sentences from yesterday. How could you make them better? - Is there another sentence you could write? - A better adjective to use?
Number bonds	Go over the number bonds to 7	Go over the number bonds to 8	Go over the number bonds to 9	Write the fact families for number bonds to 5 i.e $2+3=5$ , $3+2=5$ , $5-2=3$ , $5-3=2$	Write the fact family for the number bonds to 6.
Maths	Find some objects around your house that contain liquids and order them smallest to biggest.	Find a container in your house that is empty, full, half empty, nearly empty and nearly full.	Look at how much a container will hold, and see if it still holds that amount if you pour it out and then in again.	See if you can find two different shaped containers that hold the same amount.	Make a 'cocktail' for a family member using different amounts of liquids.
Science	Look at different animals. Find out whether they are an omnivore, carnivore and herbivore. What does this mean?				
STAR	Write a weather diary for the week. Predict what you think may happen and think about what weather you would expect in Spring.				
RE			Read a parable with another person and talk about what we might learn from the story.		
PE				Can you complete the baby shark challenge?	
Music					Make a plan for making a musical instrument. Listen to some musical instruments and think about how the sounds are made.
