Term 5 Week 1

Friday 17th April

Dear Parents/Carers,

Welcome back to term 5! Only a 2 day week all those of you home educating your children will be glad to hear!

Hope you are all OK

I hope that you were able to enjoy some sort of Easter break and are taking full advantage of having some quality family time together. I do hope that you and your families are all OK in these challenging times and that no-one had been severely impacted by the virus.

A huge thank you to all our key worker parents who are going to work every day facing many challenges no doubt, including the staff here at school who have kept the school open for most of the Easter holidays and continue to do so for vulnerable and children of key workers.

There were some families who stated that they may need the school after Easter; if this is the case, please do let me know as I am aware that circumstances change. We now know we are in lockdown for another 3 weeks so home learning will remain until at least 7th May.

Free School Meals

Can I firstly apologise for how slow the process has been in getting vouchers out to our FSM children. The government clearly did not realise the impact of a last minute decision to offer these during the Easter period would have on the system resulting in it completely crashing and going offline during the Easter weekend.

Thankfully, we do seem to have got codes out this week and I hope actual vouchers as well although I know this takes up to 24 hours to come through after you've actual accessed the website to purchase them.

Just to reiterate that these vouchers are not for Universal Free School Meal children (EYFS and KS1 children). If you want to check to see if you are eligible, please use the following website <https://www.kent.gov.uk/education-and-children/schools/free-school-meals>

We hope in the next batch of codes to send 3 weeks worth out so we don't have to go through this process on a weekly basis.

Class Dojo

If you've not signed up to class dojo I would strongly suggest it. Many children are now using this as a way of sending pictures, videos, drawings, written work to their class teachers. So many continued to upload over the Easter holidays and I know the teachers enjoyed looking at what you've been up to.

Along with this newsletters has been sent the home learning guides for upcoming week; tasks from here will be transferred to class dojo for your child to take part in. They can also upload any other learning they do whilst at home if they choose to.

Look out for my weekly video to let you know who our top players and classes were in the TTRS battle of the bands.
