

Home survival weekly plan

EYFS Ideas for activities at home week commencing 27th April 2020

Hello Rainbow Fish and Hungry Caterpillars. We hope you had a great first week back at home learning. Make sure that you join Class Dojo to share with us all of your activities as we love seeing them. Keep safe and have a lovely week.

	Monday	Tuesday	Wednesday	Thursday	Friday
Handwriting Practice precursive 5 x for each	Name writing to / go	Name writing no / be	Name writing are / all	Name writing they / my	Name writing of / do
Phonics (one a day)	oo (look at a book) ar (<i>start the car</i>) or (shut the door) air (<i>that's not fair</i>) ir <i>(whirl and twirl)</i> <ul style="list-style-type: none"> Learn a Set 2 sound each day and the rhyme. Think up words that have these sounds in. If you have access, play a game on www.phonicsplay.co.uk Listen to the Tricky Word Songs https://www.youtube.com/watch?v=TvMyssfAUx0 https://www.youtube.com/watch?v=R087IYrRpgY 				
Maths (one a day)	Focus – Numbers 1-20 Using the number cards you made last week, play these games: <ul style="list-style-type: none"> Turn the number cards over, pick a card and see which number it is. Work out/say which number is one more than that number. Try to play until you have said every number. Start with 1-10 number cards and then extend to 1-20. Play the above game but saying one less. Turn your 1-10 number cards over, pick a card and see which number it is. Work out how many more you would need to make 10. Try to find all of the ways to make 10. You could also record the number sentences if you wanted to. Play with a partner. Turn your number cards over. One person picks a card and makes the number using objects. Then the other person picks a card and makes the number using objects. Discuss who has more and who has less. You could work out how many more/less. See if you find objects around your house to make each number 1-20 and match to the correct numeral card. For example, you could have 1 doll, 2 socks, 3 spoons, 4 grapes etc. 				
Creative	Make a junk model of your favourite minibeast. Only use things you already have at home.				
Active (one a day)	If possible access: https://www.youtube.com/user/CosmicKidsYoga https://www.youtube.com/user/GoNoodleGames https://www.youtube.com/user/5adayTV				
	Have a dance party with your family	How many push ups can you do in one minute?	Play catch with someone else. How many can you do without dropping the ball?	Practice different types of roll. Tuck roll, log roll, teddy roll. Which is your favourite?	Play tickle tag with your family. When you catch someone tickle them!
Scientific	Minibeasts Make a minibeast hotel/habitat. Research what minibeasts need and where they like to live. Check your minibeast habitat/hotel daily to see if any minibeasts have decided to stay there.				
Literacy	Write instructions for making your minibeast hotel/habitat. What did you use? Where did you put it?				
Reading	Reading for 10 minutes daily				
Story time	Share at least one story with your child daily				

Additional/ extension ideas	Write simple sentences using the phonics focus; sentences about your day; sentences using the tricky words of the day; record your push up/catch results; practice making your bed each day; make a sign for your minibeast hotel/habitat; record which minibeasts stay at your hotel/habitat each day.
