

Home survival weekly plans Year 3

Ideas for activities at home week commencing 27th April 2020

Hi all!

Well done for all working so hard over the past couple of weeks. It has been great to see all of the work you've been producing. We hope you're able to make the most of your daily exercise time; keep smiling and keep safe.

Mrs Ward and Mr Dymott ☺

Maths	<p>This week we are continuing to focus on time.</p> <p>Take a look at the following statements. Are they true or false? What can you do to prove your thinking?</p>				
	“Five months of the year have less than 31 days.”	“8 minutes is 480 seconds.”	“This clock says ten minutes to two o'clock.”	“20 minutes to 8 on an analogue clock would be written as 08:20 on a digital clock.”	“I went swimming from 09:15 to 10:30 and then horse riding from 10:50 to 12:10. I spent more

					time swimming than horse riding.”
Science See pack on Class Dojo			Task 2 – Why do animals, including humans, need to eat different foods? Research the foods animals need in order to survive – show the quantity of these foods that make up the animals diet.		
STAR See pack on Class Dojo	What were the key events of the Trojan War – who took part, why did the war last so long, how did it end? This could be done as a written account, comic strip or presentation – you can use maps, diagrams and illustrations.
