

# Home survival weekly plan

Dear parents,

I hope that everyone is keeping well and staying safe. Thank you so much for all your hard work which we have seen on the class dojo. These are strange times and we really appreciate all your efforts to support your children's learning. We will be continuing to think about sea-sides in our STAR work and are moving onto thinking about plants in Science.

Kind regards Mrs Nash and Mrs Healey.

	Monday 27th	Tuesday 28th	Wednesday 29th	Thursday 30th	Friday 1st
Handwriting	Letter r Remember to practice your letter cursive and to keep them on the line.	Letters r, m Remember to practice your letters cursive and to keep them on the line.	Letters r, m, n Remember to practice your letters cursive and to keep them on the line.	Letters r, m, n, h Remember to practice your letters cursive and to keep them on the line.	Letters r, m, n, h, man Remember to practice your letters cursive and to keep them on the line.
Reading	Reading for 15 minutes What was your favourite part of your book and why?	Reading for 15 minutes Who was your favourite character and why?	Reading for 15 minutes Can you think of a new ending for your story?	Reading for 15 minutes Can you describe the setting of your story?	Reading for 15 minutes Can you spot all the capital letters and punctuation marks in your book?
Spag	Draw a good story character and think of some exciting adjectives to describe him or her.	Can you write a couple of sentences about your good character? Make sure you have your capital letter and full stop in the correct places.	Draw a bad story character and think of some exciting adjectives to describe him or her.	Can you write a couple of sentences about your bad character? Make sure you have your capital letter and full stop in the correct place.	Mr Oops has made a couple of mistakes with these sentences. Can you spot them and write it out again.  the boy went for a long walk last thursday it was a nice sunny day
Number bonds	<a href="http://www.ictgames.com">www.ictgames.com</a> Save the whale number bonds to 10	<a href="http://www.topmarks">www.topmarks</a> Top marks hit the button number bonds to 10	Ask an adult to give you some quick mental addition sums to 10. Extension can you go up to 20.	Ask an adult to give you some quick mental subtraction sums to 10.	Counting in steps of 2s, 5s and 10s.

				Extension can you go up to 20.	
Maths	Reasoning and problem solving- work out and show your reasoning.  There are 2 hands. How many fingers?  There are 4 hands. How many finger?  There are 5 bikes. How many wheels?  Thee are 8 bikes. How many wheels?	An array is a grid with counters/ objects arranged in columns/ rows.  With small objects make an array to show $4+4+4+4=$ $3+3+3+3=$ $5+5+5=$ $5+5+5+5=$	A double are two groups of the same number.  Use fingers or objects to work out  Double 2 Double 4 Double 7 Double 5	Use fingers or objects to work out  Double 3 Double 6 Double 9 Double 8 Double 10	<a href="http://www.topmarks.com">www.topmarks.com</a>  Hit the button doubles game
Science		Investigate and draw the types of plants and trees that you can find in your garden.			
STAR	Look at a sea-side picture with an adult. This week can you draw and label the features that are physical e.g. cliffs and rocks and the features which are human e.g. pier, ice cream shops etc.				
RE			Last week we learnt the book special to Christians is called the Bible. This week we are going to find out about a story found in the Old Testament part of the Bible called Jonah and the Whale.		

			<p>You tube have some lovely versions of this story.</p> <p>PSHE- think about things that make you special and unique.</p>		
PE				<p>Try a Joe Wicks workout if you haven't done so already. Continue to practice throwing and catching. Can you clap your hands before catching your ball or bean bag?</p>	
Music					<p>Make a speaker. We will attach how to do this on the dojo</p>
