

## Home survival weekly plans - Morpurgo

Hi Morpurgo,

I hope you are all well and enjoyed the Easter break; I know it would have been very different to what you are used to but I hope you all managed to have fun whilst at home.

Happy Birthday to Brooke for Sunday 26<sup>th</sup> April, I hope you have a lovely day.

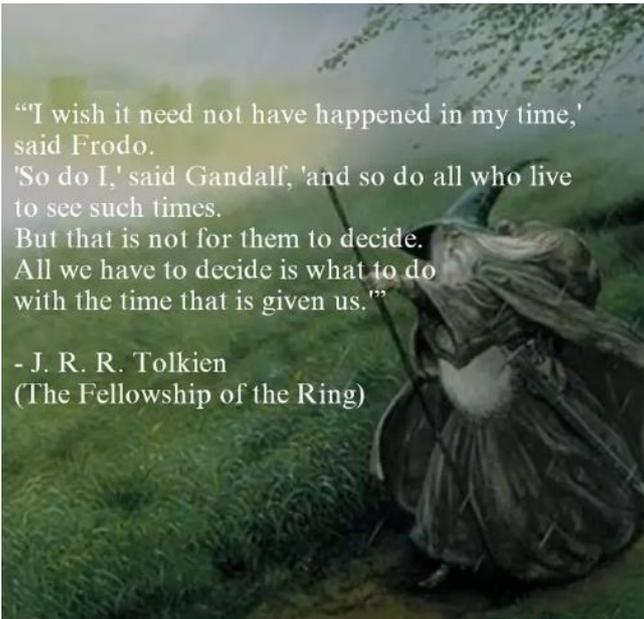

I have set your suggested weekly home learning on the following page, I will choose a selection of these activities to put on Class Dojo so you can share your fantastic work with me. I have thoroughly enjoyed seeing the work that you have been sharing; it is great to be able to keep in contact with you.

I am sure you will be pleased to know that I have found an 'at home' Kindness Challenge, like the ones we do in class. Everyday I will put the challenge on our class story on Class Dojo and you can leave comments underneath to let me know how you have managed to achieve the challenge 😊

As always, I am so proud of you all and how you are adapting to this difficult time – keep up the hard work but remember to give yourself time to relax and have fun too.

Take care of yourselves,

Mrs Francis

"I wish it need not have happened in my time,"

'So do I,' said Gandalf, 'and so do all who live  
to see such times.  
But that is not for them to decide.  
All we have to decide is what to do  
with the time that is given us.'"

How did this song help men and women during WW2? How do you think we can use the song in our current situation?</p>		

## Literacy

Writing task for week 20<sup>th</sup> April

This week, I am setting you a writing task for the week. I would like you to choose a song that you love and re-write it about your time in year 6 or your whole time at Craylands. Think back to the lesson where we did this to 'Everything I need' to persuade Jim to save Nick/leave Nick.

- Choose a song that you love and think that you can re-write (choose carefully!)
- Write or print out the lyrics if you can
- Then re-write the song about your time in year 6 – remember we didn't change all the lines of the song, so you can keep some the same if they are suitable. We also didn't use the whole song so don't worry if you only use part of the song.
- You have all week to do this to take your time, write it in rough first so you can play around with your work then write it up neatly.
- Think about your friends, activities you have completed, lessons you have enjoyed, trips you have been on, fun times in class/in the playground; anything that you have remembered from your time in school
- Don't forget to give your song a new title
- Upload your song to Class Dojo so I can read your marvellous songs 😊 - don't forget to write on what song you choose to re-write.

If you are unable to access a song or print one out – have a go at writing a poem to represent your time in year 6 or your whole time at Craylands.

Some song suggestions (ones from our inspirational play list 😊 ) in case you are struggling to choose one:

You know it's all about you – Wlabel & Magical Thinker

Up all Night – One Direction

Heroes (we could be) – Alesso

Ain't Nobody – Jasmine Thompson

Burn – Ellie Goulding

Unstoppable – Camila Mora

Hall of Fame – The Script

The Climb – Miley Cyrus

Everything I Need – Skylar Grey

## Maths - Tuesday

### **My Favourite Number challenge**

#### **Your challenge:**

How much do you know about your favourite number?

#### **What to do:**

1. What's your favourite number? Write it down in the centre of a piece of plain paper (if you don't have a favourite number, pick a number at random).
2. Note down at least 20 facts about the number around your number, creating a poster. Examples you could choose include factors, multiples, even/odd, square number, sides on a shape etc.
3. For example, if your favourite number was 32, you could write down facts like:
  - It's a multiple of 1, 2, 4, 8 and 16

- It's an even number
  - $32 \times 2 = 64$
  - $1 + 31 = 32$
4. Try to make sure you have a good range of different types of facts.
  5. Be as creative as you can with how you present your work.

We'll meet again  
 Don't know where  
 Don't know when  
 But I know we'll meet again some sunny day  
 Keep smiling through  
 Just like you always do  
 'Till the blue skies drive the dark clouds far away

So will you please say hello  
 To the folks that I know  
 Tell them I won't be long  
 They'll be happy to know  
 That as you saw me go  
 I was singing this song

We'll meet again  
 Don't know where  
 Don't know when  
 But I know we'll meet again some sunny day  
 We'll meet again  
 Don't know where
