Writing	<p>This week our focus is on diary writing.</p> <p>We would like you to keep a diary of your days; thinking about not only what you are doing physically but also how you are feeling, this could include things you're grateful for as well as things that are worried about or are missing.</p> <p>This could be a written or video diary (vlog), if you're writing it you may wish to include photos or drawings.</p> <p>These will be a great thing for you to keep and reflect on in the years to come ☺</p> <p>As these will contain your thoughts and feelings, if you do not want to share these with us on Class Dojo, you do not have to.</p>
