

Home survival weekly plans Year 3

Hello!

We hope you're all staying well and are safe at home. Thank you for all of your hard work over the past few weeks, it's clear to see that you're trying incredibly hard with your learning. We will both be making phone calls to you over the next couple of weeks and are looking forward to checking in. – Mrs Ward & Mr Dymott ☺

Ideas for activities at home week commencing 4th May 2020

	Monday	Tuesday	Wednesday	Thursday
Handwriting	Write out 2 lines of this common prefix, joined using cursive handwriting – ly	Write out 2 lines of this common prefix, joined using cursive handwriting – ing	Write out 2 lines of this common prefix, joined using cursive handwriting – ed	Write out 2 lines of this common prefix, joined using cursive handwriting – less
Reading	Reading for 30 minutes	Reading for 30 minutes	Reading for 30 minutes	Reading for 30 minutes
Writing	This week our focus is on non-fiction writing – creating fact files.			
	Research as many facts as you can about an animal of your choice.	Pick out the key facts from your research. Think carefully about what you think other people should know about this animal.	Organise your facts under subheadings – for example, appearance, feeding habits, habitat, movements.	Write your facts up in paragraphs underneath your subheadings. You can write these by hand, on the computer or as a PowerPoint presentation. Find / draw pictures to accompany your facts.
SPaG	This week's focus is unusual ways of spelling the // sound. Our focus words for the week are - gym, cygnet, myth, pretty, women, pyramid, mystery, Egypt, build			
	Practise each of the words using look, say, cover, write, check	Draw a picture for each word to remind you how to spell it	Write out each word 5 times – checking your spelling carefully each time	Put each of the words into full sentences

Times tables practise	15 minutes - Times Table Rockstars	15 minutes - Times Table Rockstars	15 minutes - Times Table Rockstars	15 minutes - Times Table Rockstars
Maths	<p>This week our focus is on consolidating our understanding of the Year 3 objective of knowing the 3, 4 and 8 x tables; including division facts. Throughout the week select some activities from the list below in order to practise these.</p> <ul style="list-style-type: none"> - Create a game that uses these times tables and play it at home - How many times can you write each times table out in 2 minutes? Can you beat your own score? - Use practical objects (such as pieces of pasta or buttons) to count out your tables - Make a set of times table cards with the multiplication fact on one and the answer on another. Can you match them? You could also play pairs with them and use them to practise division facts - Get someone else in your house to test you on your tables and related division facts - Play online times table games such as https://www.topmarks.co.uk/maths-games/7-11-years/times-tables https://www.timestables.co.uk/games/ http://www.maths-games.org/times-tables-games.html <p>You may even be able to think of your own activity for learning or practising your 3, 4 and 8 times tables, including division facts.</p>			
Science		<p>Produce a poster showing the major nutrient classes, examples of foods that contain them and why the body needs them/ how much the body requires.</p> <p>Challenge your child to develop a week's food plan for humans with different requirements: a child, an active man, a man who works in an office, a sportsman, etc</p>		
STAR	<p>What was the legend of the Trojan Horse?</p> <p>This could be</p>			

	done as a written account, comic strip or presentation – you can use maps, diagrams and illustrations.			
RE			Produce a poster/comic strip / written narrative detailing the creation story in Genesis 1.	
PE				Choose one of the workouts from BBC Sports – get Inspired page Football fans – fantasy team time! Choose your dream coach, formation , and your best starting eleven past or present!
Music				Listen to Vivaldi's 'Four Seasons' concertos . Record your responses – which is your favourite season and why?
