

Key Stage 2 – Arts Week

Hi all,

Welcome to Arts Week! Our focus this week is on developing our creative skills through a range of art, dance, theatre, film and music.

<p style="text-align: center;">Get drawing!</p> <p>Illustrations are a huge part of children’s literature. Roald Dahl’s books are famously and fabulously illustrated by Quentin Blake – follow this tutorial that shows you how to draw Willy Wonka from Charlie and the Chocolate Factory. Can you use this style to draw a character from your favourite book?</p>	<p style="text-align: center;">Get folding!</p> <p>Origami is the art of paper folding, which originates from Japanese culture. Have a go at making some of these origami toys – the jumping frog is a particular favourite! https://www.origami-fun.com/origami-toys.html</p>
<p style="text-align: center;">Get dancing!</p> <p>Oti Mabuse (from Strictly Come Dancing) has been creating children’s dance tutorials, with her husband, inspired by famous movies. Have a go at one of them, they can all be found on her YouTube channel – the link below takes you to their Jungle Book dance. https://www.youtube.com/watch?v=SboNzLZea0</p> <p style="text-align: center;">o</p>	<p style="text-align: center;">Get street!</p> <p>Street dance has become one of the most popular forms of dance over the past 10 years – with Diversity being one of the biggest dance troops in the world. If you haven’t tried street dance before give the tutorial below a go – or if you’re feeling confident make up your own routine. https://www.youtube.com/watch?v=q5FJ3oK4JC</p> <p style="text-align: center;">A</p>
<p style="text-align: center;">Get visualising!</p> <p>Listen to ‘When I grow up’ from Matilda the Musical on the clip below. What do the lyrics make you think of? What images do they create in your mind? Draw a picture that links to your thoughts on the lyrics (not what the actors on stage are doing) https://www.youtube.com/watch?v=e0tRDhEmd</p> <p style="text-align: center;">O4</p>	<p style="text-align: center;">Get scripting!</p> <p>Actors in most plays, TV and film know exactly what to do by following a script. The clip below will help to remind you of the basics of script writing. Write a short script containing 2 characters; these could be ones you’ve made up or famous characters that already exist. Don’t forget your stage directions or they won’t know where to move or how to act. Act it out with someone else in your house. https://www.bbc.co.uk/bitesize/topics/zsn4h39/articles/zx8kng8</p>
<p style="text-align: center;">Get reviewing!</p> <p>Watch a new film for the first time and write a review on it.</p> <p style="text-align: center;">What was it about? What did you enjoy? What could have been improved? Would you recommend it to a friend? Why? How many stars would you give it out of 5?</p>	<p style="text-align: center;">Get animating!</p> <p>Create your own flip book animation using just a pen / pencil and a small pad of paper or packet of post-it notes. Use the tutorial clip below to help. https://www.bbc.co.uk/bitesize/clips/zxyxrdm</p>
<p style="text-align: center;">Get classical!</p> <p>Listen to part of Beethoven’s Symphony No. 9 – What instruments do you think you can hear? What are your thoughts on it? Why do you think it is classed as one of the best pieces of classical music of all time? https://www.youtube.com/watch?v=t3217H8Jppl</p>	<p style="text-align: center;">Get choosing!</p> <p>Imagine that you can only listen to the same 5 songs forever. Which 5 would you pick? Why?</p>
