

Term 6 - Week 1 - 01.06.20

Practise your punctuation:

1. Punctuate this passage correctly.

jane and shahdad two british mountaineers had decided to do something adventurous and energetic they attempted an almost impossible challenge to climb mount kilimanjaro what a marvellous view exclaimed jane as she looked down at the valley below it's a pity the summit is so indistinct replied shahdad looking up at the cloud covered peak later they reached an obstacle that was impossible to get past as they were moving along a narrow windswept ledge jane turned to shahdad and said a huge boulder has made a ledge impassible im afraid its too dangerous to go on well have to go down again

2. Now underline any adjectives with prefixes or adjectives formed from nouns by the addition of a suffix.
