

Home survival weekly plans - Morpurgo

Hey guys

I hope you are all well and adjusting to where ever you are currently learning. It is great seeing lots of you back in school, even if some of you are at a distance. Both bubbles are working extremely hard and I know I am loving being back in school – I hope you are too. Those of you working at home, you are doing amazingly – you are managing to complete the same work as us from home – you should be so proud of yourselves. I am proud of every single one of you.

I'm hoping those of you at home found the work set last week accessible, it was great seeing it on Dojo and I hope you are enjoying doing what we are doing in class. If anyone is learning from home and does not have a copy of Kensuke's Kingdom, please let me know so I can get one sorted for you.

This week, I will again set reading and literacy related to Kensuke's Kingdom. I will put a description on here but will again upload my PowerPoints onto Dojo so you can use them to help you.

Maths will be on White Rose Maths hub again – you should have the work sheets in your pack I prepared for you.

Well done again for your hard work and please message if you have any problems or need any more work sent home.

Take care and stay safe

Mrs Francis
