

## Walliams home survival weekly plans

Hi Walliams Class,

It's week 4 of Term 6 already, what do they say time flies when your having fun. I hope you are all ok. I am looking forward to seeing what you send me this week. Here are the ideas for activities at home week commencing Monday 22<sup>nd</sup> June 2020

	Monday	Tuesday	Wednesday	Thursday	Friday
Handwriting	interest experiment potatoes	favourite imagine material	promise opposite minute increase	Write a definition for each of the words.	Write a sentence using each of the words.
Reading	Reading for 15 minutes	Reading for 15 minutes	Reading for 15 minutes	Reading for 15 minutes	Reading for 15 minutes
Spag	Complex sentences Practice (See attached sheet)		Making Sure (See attached sheet)		Practise your punctuation (See attached sheet)
Literacy	Write a diary for the week	Write a diary for the week	Write a diary for the week	Write a diary for the week	Write a diary for the week
Times tables practise	TTRS 15 minutes	TTRS 15 minutes	TTRS 15 minutes	TTRS 15 minutes	TTRS 15 minutes
Maths	For your maths from this week I would like you to choose one of the online sites lessons and activities to do. To access the 'White Rose Homelearning' site, you literally put that into a google search and it will come up. Then find your year group and it is all there for each day.				
Science	French Dressing(See attached sheet)				
STAR		The Romans made mosaics. Create your ownpiece of artwork using the mosaic style.			
<b>P.S.H.E/ GROWTH MINDSET</b> LET'S INNOVATE Complete the weekly challenge Using the 5 step problem solving cards attached.					Build a fort using only 6 items. Can you make it large enough to sit inside?
