Term 6 Week 1

Fri 7 Jun '24

Dear Parents/Carers,

Welcome back to term 6 and welcome back to the sunshine...let's hope it continues across the Summer Term.

EYFS trip to Godstone

On Monday, I had the absolute pleasure of accompanying Hungry Caterpillar class and Rainbow Fish class to Godstone Farm. This was my first trip there and I could not have asked for better company. The children were extremely well behaved and seemed to thoroughly enjoy meeting and learning about the different animals that they encountered including lambs, goats, tortoises and pigs. They listened very well and followed all the instructions given to them. A big well done to them all and a thank you to the staff who arranged and accompanied on the day.

Rainbow Raffle

The Friends of Craylands have put together all the donations that you kindly made on the last day of term to create some fantastic hampers. They are selling raffle tickets after school and the draw will take place on Friday 14th June. Good luck!

Term time Holidays

A reminder that we can not authorise term time holidays and that we will request a penalty notice for families who go on holiday during term time. Attendance in the summer term is just as important as any other point of the school year so please do try to arrange holidays etc for school holiday time so your child does not miss out on learning.

Better Points

We have reached the end of week 6 of the 'Let's Clean Up the School Run' Betterpoints challenge. Nearly 3,000 miles have been walked, cycled and wheeled during this challenge which is fantastic.

The current leaderboard is here - WE ARE TOP CURRENTLY!!

There are still 7 weeks remaining in the challenge, so please keep going.

EYFS NEWS

What a super start to the term! We all had a wonderful day out at the farm on Monday and as expected the children were a credit to the school. They listened, engaged and followed instructions; making it a happy, safe and educational day out.

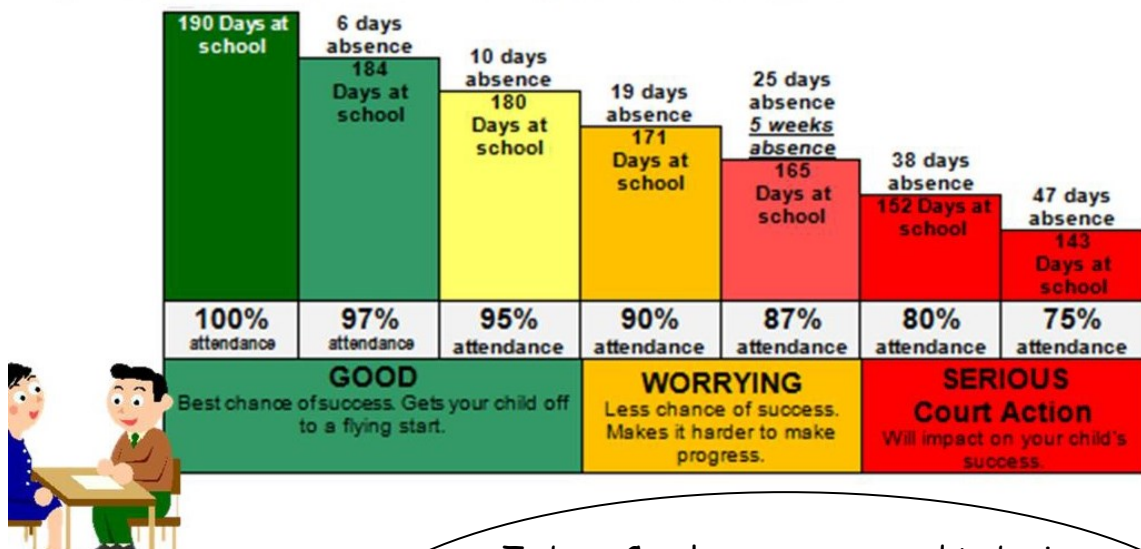

Our final topic for the year is called 'When I Grow Up ...' We will be learning about occupations and other places in the world as well as following interests. Literacy and Numeracy concepts are revisited, practised and embedded in order to secure their understanding before their next steps.

Lastly, to confirm there will be no more reading afternoons as this last term is particularly busy.
