Term 4 Week 3

Friday 12th Mar '21

Dear Parents/Carers,

Well that week has flown by....you know what they say, time flies when you are having fun and it's certainly been enjoyable seeing all the children back, working hard and learning. I do hope that you have found time for yourselves this week to have a moment of peace and quiet amongst your own work/home lives.

Welcome back

The children have impressed us with their never ending resilience; after being at home for a couple of months, the overwhelming majority have returned as if nothing has happened. They have remembered the rules and routines and have immersed themselves in their learning. The art work that they produced was amazing! I was so impressed with the care that they took with it and there are many fantastic examples on display, brightening up the corridors. A big well done to all the children and thank you to the staff for supporting them in settling back into school, as well as your support at home.

How can we continue to keep safe?

There are still things we can do as a community to keep safe and ensure that we reach that light at the end of the tunnel. Please continue to social distance as much as possible from other households; in school we will maintain the bubble system so it would be so helpful if children did not come into contact with children from other bubbles where possible.

There remain asymptomatic testing centres in the local area that family members can visit regularly to get tested ensuring that you know no one has Covid within the household.

Book a symptom free test on the following website:

[Symptom-free testing - Kent County Council](#)

The government have also launched a scheme whereby family members of primary aged children can get home test kits; please use the following website to find out how to do this.

[Rapid lateral flow testing for households and bubbles of school pupils and staff - GOV.UK \(www.gov.uk\)](#)

We all have a part to play in getting society back up and running again.

Class Dojo

As a school, we will continue to use Class Dojo to upload assemblies, images of work etc, however, we would ask that you now begin to return to using the office emails as a method of communication, contact books or letters when sending messages into school and to your child's class teacher. This is because we do not monitor Class Dojo as much now that the children are back in school so we do not want to miss any correspondence from yourselves. Many thanks.
