Introduction to Kingswood

A trip to Kingswood is a life changing adventure. For over 35 years, our transformative school trips have encouraged primary school pupils to build confidence and resilience by taking on fun challenges.

Each year over 175,000 young people visit Kingswood to experience exciting activities, from archery to zipwire, and they go home with so much more. They leave with the feeling that they can achieve their goals, and it's wonderful to see the most uncertain pupils becoming the most enthusiastic.

We provide the perfect environment to develop positive mind-sets, improve well-being and encourage self-belief, plus there is always lots of laughter.

Welcome to Grosvenor Hall

Safety at Kingswood

Peace of mind

Safety comes first at Kingswood; we're founding members of the British Activity Providers Association (BAPA) and affiliated to a whole range of governing bodies. We employ safeguarding leaders and every team member undergoes enhanced DBS checks. There are secure boundaries around our centres and regular night patrols as standard. We're also designated COVID-safe by Kaddi.

Covid policy

The key steps we are taking to ensure everybody who visits are safe include:

- Respecting existing group bubbles
- All team members are tested for covid twice weekly
- Ensuring social distancing is adhered to, with reminders throughout our centres
- Deep cleaning cycles and sanitiser stations. All equipment will be regularly sanitised according to the government's regulations
- PPE will be worn by our team when carrying out safety checks. We will always respect your wishes if you would like to wear your own face covering
