Term 5 Week 2

Fri 29 April '22

Dear Parents/Carers,

It was a quiet start to the week with lots of Years 4 and 5 out on a residential.

Residential

From Sunday to Wednesday this week, a large number of Years 4 and 5 attended their residential at Grosvenor Hall in Ashford. Taking part in activities including night line, shelter building, archery, zip line and 3G swing, the residential has given them the opportunity to test their resilience, problem solving and team work skills.

Those of you who have followed Mr Dymott's commentary on Twitter, will have seen that the residential involved very early starts and late finishes for both the children and the staff. I'd like to take the opportunity to thank all of the staff who attended the residential this week, giving up part of your weekend and your evenings to take care of the children and provide them with this exciting opportunity.

Years 4 & 5 enterprise

Whilst many of Years 4 and 5 were on residential this week, those that stayed behind created their own businesses—just like on the apprentice.

They were given a small amount of money to create some products to see if they could make a profit—what a profit they made indeed! The sale after school on Tuesday sold out so quickly, with products being in high demand (sorry about the tears), that they decided to make some more on Wednesday morning to sell again.

The children more than tripled the original investment—they were able to pay the school back and then will decide what they wish to spend the remainder of the money on, as a reward for all of their hard work.

Queen drawing competition

A big well done and thank you to all those children who entered into this competition in celebration of the Queen's Jubilee this year. Miss King, as history subject lead, has looked at the entries and chosen two winners. These are:

KS1: Isla R—Elmer and KS2: Grishiga—Walliams

EYFS NEWS

The number focus has been subtraction, using the language of 'less than' and 'take away'.
