Term 6 Week 2

Fri 17 Jun '22

Dear Parents/Carers,

It's been a very hot week this week—summer certainly seems to have arrived.

**Year 6 residential:** The Year 6 children leave on their residential on Monday. They have a busy week ahead visiting some of the island's top attractions whilst there. It is due to be a warm week, so please can I remind the children to bring the following:

- a named water bottle that they can fill up during the week
- a hat that will protect them from the sun
- sun cream—this can be packed in their suitcase and does not need to be handed in

A reminder that they should not bring any electronic devices and cameras should be disposable or polaroid only. No mobile phones should be brought.

The children come into school at 9 to avoid the crowds with their suitcases but can come in earlier if they have siblings. They should come in through the main entrance and into the hall. Parents/carers should then leave after checking in any medication and can come back again to wave the children off at 10.30am. We would advise getting here by 10.15 in case the coach driver decides to leave a little earlier.

**Sunny weather:** As already mentioned, it seems that summer has arrived. We would request that children have sun cream applied before school please and we are more than happy for them to bring in sun cream to apply before lunch and PE sessions—we can not apply this to the children however so they will need to be able to do this themselves.

We have had a lot of sunglasses appearing this week. We appreciate that for some children who experience bad hay fever, sunglasses help and we thank those parents/carers who have asked if their child can wear them whilst in school. There are however some children who are wearing them as fashion accessories and these should not be brought into school please. Thank you for your support with this.

**School uniform:** I have seen lots of hooped/shaped earrings being worn this week; lots of nail varnish and lots of white socks with trainers. None of these are part of our school uniform. I would ask for parents/carers support in ensuring children only wear small studs (if earrings at all) which can be taken off for PE or taped over by your child; no nail varnish should be worn at all and please ensure your child is wearing grey or black socks with school shoes and not trainers. Thank you.

**Car park:** A polite reminder that for those who drop children off to school in the morning to do so in a safe and sensible manner. This is a staff car park and we allow parents/carers to use it to drop children off in the morning. Staff have priority use over it and should be allowed to park without undue pressures from parents/carers dropping children off for breakfast club. Please do consider how you drive and watch your speed on and around the school site. Thank you.

**Inset days 2022:** After planning our September INSET, we have decided to change the start date for the children returning in September to Monday 5th Sept and NOT Friday 2nd Sept. Sorry for any inconvenience that this change may cause.

Wishing you all an enjoyable weekend—hope the sun stays shining!  
Mr Hiscock—Headteacher

# EYFS NEWS

The highlight of this week was finding a bear camping out in the school hall! The children followed a map; travelling over wibbly wobbly tyres, burning hot lava and tickley grass and finally discovering the furry visitor. This was our writing stimulus for the week.

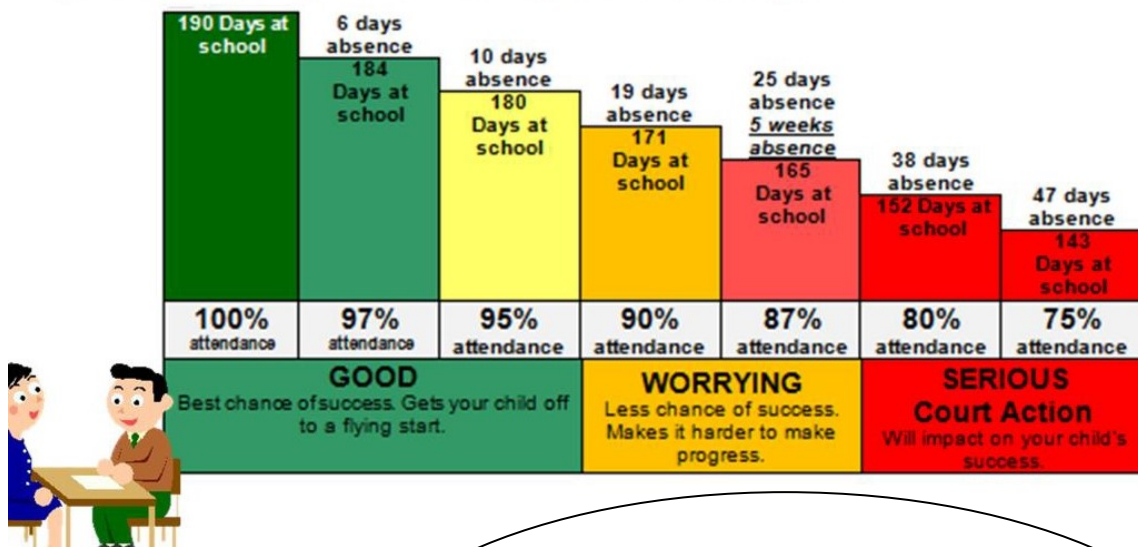

In numeracy, children have used the part part whole model to decompose numbers.
