Introduction to Kingswood

A trip to Kingswood is a life changing adventure. For over 35 years, our transformative school trips have encouraged primary school pupils to build confidence and resilience by taking on fun challenges.

Each year over 175,000 young people visit Kingswood to experience exciting activities, from archery to zipwire, and they go home with so much more. They leave with the feeling that they can achieve their goals, and it's wonderful to see the most uncertain pupils becoming the most enthusiastic.

We provide the perfect environment to develop positive mind-sets, improve well-being and encourage self-belief, plus there is always lots of laughter.
