Happy together, safe
together, learning
together...

...where all members of the Craylearning
community feel happy and safe to take
risks in their learning, learn from their
mistakes and develop the skills to prepare
them for their future, as lifelong learners.

- To provide a happy, safe and welcoming environment so pupils enjoy coming to school.
- To develop a growth mindset culture throughout the school, where everyone strives to improve themselves.
- To praise children for the effort that they put into their work developing their understanding of the impact effort has on attainment.
- To encourage children to take risks, be fearless of making mistakes and learn from the mistakes that they make.
- To develop a sense of resilience across the school, so that children are confident enough not to give up on their learning.

- To set high and challenging standards to enable each child to achieve their best in every area of the curriculum.
- To encourage children to be creative and resourceful.
- To make learning relevant, stimulating, engaging and enjoyable for each child through the provision of a broad, balanced and inclusive curriculum.
- To teach children to be tolerant and sensitive and respect themselves and the beliefs and opinions of others, through good behaviour.
- To develop a spiritual awareness and sense of awe and wonder about the world.
- To promote positive working relationships between parents, governors, staff, pupils and other agencies to enable everyone to work together for the benefit of each individual child.

Ofsted 2019

This school continues to be a good school.

'Pupils say they love coming to this happy, welcoming and friendly school. All the pupils spoken to said that they felt safe in school and that staff care for, and look after them well. Pupils say that their teachers are kind and help them. One parent wrote that her child is 'always enthusiastic and excited to go to school and has nothing but positive things to say about the staff'.

Parent/Carers comments November 2023

- Good communication, school staff welcoming and approachable, very settled feels well supported, listened to and safe
 - Amazing school; lovely teachers
- Supporting to developing social behaviours, learning individuals beliefs
 - Lovely teachers; brilliant support; excellent school community
- After being in the school from YR to Y6 I would say that having good access to communication is key and the school has been good with quickly sorting any issues due to good communication
 - The kindness of the teachers
- Communication from school to parents is strong

Key Dates

- It's important to [find out more about schools you are interested in](#) before you decide to name them on your application form. You can name up to 3 schools on your form.
- **Applications close on 15 January 2024** for children due to start primary and junior school in September 2024
- You can: [apply online](#)
apply by post
- You can apply for up to 3 schools, putting them in order of preference. It's in your best interests to list 3 schools. Naming only one school does not guarantee your child a place at that school or give your child priority for a place over another child, neither does naming a school more than once.
- If you apply online you will be emailed on 16 April 2024 after 4pm to tell you which school you have been offered. We cannot guarantee the exact time you will receive your email, this will depend on your email service provider.

You can also [log in](#) from 5pm on 16 April 2024 to view your offer.

Summer born children

If your child was born between 1 April and 31 August and you want them to defer starting school until the next academic year, email primaryadmissions@kent.gov.uk for more information.

Admissions – oversubscription criteria....

Children in Local Authority Care or Previously in Local Authority Care – a child under the age of 18 years for whom the local authority provides accommodation by agreement with their parents/carers (Section 22 of the Children Act 1989) or who ceased to be so because they became subject to an adoption, residence or special guardianship order under Part IV of the Act.

Current Family Association - a brother or sister in the same school at the time of entry where the family continue to live at the same address as when the sibling was admitted – or – if they have moved – live within 2 miles of the school, or have moved to a property that is nearer to the school than the previous property as defined by the ‘Nearness’ criterion’ (below).

Health and Special Access Reasons – Medical, health, social and special access reasons will be applied in accordance with the school’s legal obligations, in particular those under the Equality Act 2010. Priority will be given to those children whose mental or physical impairment means they have a demonstrable and significant need to attend a particular school. Equally this priority will apply to children whose parents’/guardians’ physical or mental health or social needs mean that they have a demonstrable and significant need to attend a particular school. Such claims will need to be supported by written evidence from a suitably qualified medical or other practitioner who can demonstrate a special connection between these needs and the particular school.

Nearness of children's homes to school - we use the distance between the child's permanent home address and the school, measured in a straight line using Ordnance Survey address point data. Distances are measured from a point defined as within the child's home to a point defined as within the school as specified by Ordnance Survey. The same address point on the school site is used for everybody. When we apply the distance criterion for an oversubscribed Community or Voluntary Controlled school, these straight line measurements are used to determine how close each applicant's address is to the school.
